

# Bethlehem High School AM Report

**Date: 5/10/12**

## **Today's Prayer Prayer for the Environmental Common Good**

**As we breathe the very air which sustains us, we remember your love, God, which gives us life. Fill us with your compassion for Creation. Empty us of apathy, selfishness and fear, of all pessimism and hesitation. Breathe into us solidarity with all who suffer now and the future generations who will suffer because of our environmental irresponsibility. Move us into action to save our earth and to build your sustainable Kingdom. Amen**
